

タスクを追加する方法

Todo List

The image shows a user interface for adding a task. It consists of three main parts: a text input field on the left, a dropdown menu in the middle, and a button on the right. The text input field is outlined in red and contains the placeholder text 'タスクを入力'. The dropdown menu is outlined in blue and shows 'High' as the selected option with a downward arrow. The button is outlined in green and is labeled '追加'.
